

ILDEX Vietnam 2016 - Conference Schedule

Updated as of 17/Mar/2016

ROOM	TIME	TOPIC	SPEAKER	PARTICIPANT
Wednesday, 23rd March 2016				
Conference Hall 1 (2nd Flr, SECC)	09:15-10:00	The Opening Ceremony Lễ Khai mạc Triển lãm ILDEX Vietnam 2016		300
	13:30-16:00	Livestock Vietnam market	Ministry of Agricultural and Rural Development (MARD)	
	13:30 - 13:40	Resgistrion and Delegates Introduction		
	13:40 - 14:00	Welcome speech	Dr Hoang Thanh Van, <i>Director General Department of Livestock</i>	
	14:00 - 14:20	Curent status and development orientation of Vietnam Livestock in the coming time	Dr. Tong Xuan Chinh, <i>Deputy of Department of Livestock</i>	
	14:20 - 14:30	Q/A		
	14:30 - 14:50	Improving swine rates to enhance farming productivity in Vietnam	Dr.Kieu Minh Luc, CP Vietnam	
	14:50 - 15:00	Q/A		
	15:15 - 15:45	Solutions for improving poultry quailty rates in Vietnam	Dr. Duong Xuan Tuyen, <i>National Resarch Institute of Animal Science- NIAS</i>	
	15:45 - 16:00	Q/A		
	16:00 - 16:20	High - tech application in Canada dairy cow selection and production	Minh Dang Company	
	16:20 - 16:30	Q/A		
Conference Hall 2 (2nd Flr, SECC)	13:00-17:00	Conference by Guangdong Hinabiotech		150
	13:00-13:30	Registration		
	13:30-14:40	To Achieve Safe and Efficacious Animal Husbandry By Bio-Feed Technology	Dr. Liang Chao <i>Guangdong Hinabiotech</i>	
	14:40-15:00	Coffee Break		
	15:00-16:30	An Introduction of Full-tide: An Effective Alternative of Antibiotics	Dr. Liang Chao <i>Guangdong Hinabiotech</i>	
16:30-17:00	Discussion about the No Antibiotics Strategy in Animal Feeds	All attendees		
Meeting Room 2 (3rd Flr, SECC)	12:30-16:30	VIV Master Class: Value Creation in Swine Production		80
	12:30-13:00	Registration		
	13:00-15:00	Panel 1: The 9 Key Challenges of Diet Optimization and Health (essay based)	<i>Biomin, De Heus, Boehringer, Ingelheim</i>	
	15:00-15:30	Coffee Break		
15:30-16:30	Panel 2: The 9 Key Challenges of Swine Farming and Processing (essay based)	<i>SKOV, Big Dutchman, MPS</i>		
Meeting Room 3 (3rd Flr, SECC)	13:00-16:00	Application of Protease Enzyme in Animal Feed: Benefit Beyond Cost Saving, by JEFO NUTRITION		60
	13:30-13:50	Life, made easier approach	Mr. Didier Arnaud <i>Asia Sale Director</i>	
	13:50-14:10	Capsule Solutions and Introduction to Jefo Matrix Technology	Mr. Jean-Christophe Bodin <i>I&D Director</i>	
	14:10-14:40	Protein Optimization in Aquaculture	Dr. Kabir Chowdhury, <i>Global Technical Manager - Aqua</i>	
	14:40-15:10	Tea Break		
	15:10-15:40	Feed Costs in Poultry	Mr. Jean-Christophe Bodin <i>I&D Director</i>	
	15:40-16:00	Reducing Antibiotics Growth Promoter in Broiler Production	Mr. Jean-Christophe Bodin <i>I&D Director</i>	
	16:00-16:30	Protein Optimization in Swine	Mr. Jean-Christophe Bodin <i>I&D Director</i>	
Thursday, 24th March 2016				
Conference Hall 1 (2nd Flr, SECC)	09:15-16:00	Farming Sector/Tiểu ban chăn nuôi	NONG LAM UNIVERSITY	300
		Measure for Improving Nutritional Value of Animal Feed	PGS. TS. Dương Duy Đồng	
		Effects of T2 Toxin on Broilers and Solution	TS. Nguyễn Quang Thiệu	
		Use the Byproducts in Aminimal Feed: An Example of By-products From Acid Amin Factory	ThS. Nguyễn Văn Hiệp	
		Evaluation of Chromosome Abnormality, Related Productivity Boars	TS. Quách Tuyết Anh	
		Veterinary Sector/ Tiểu ban Thú y	NONG LAM UNIVERSITY	
		Balantidium Coli in Pig: Current Status and Future Solutions	TS. Đỗ Tiến Duy & CTV	
		The Situation of Fungal Infection in Poultry and Therapeutic Experiences	ThS. Nguyễn Thị Thu Năm & CTV	
		Clinical Cases in Chicken: Characteristics of Disease Caused by Bacterial and Antibiotic Resistance	TS. Nguyễn Thị Phước Ninh & CTV	
		Use of Antibiotics Reasonably and the Solutions to Reduce Antibiotic Usage in Livestock	PGS. TS. Võ Thị Trà An	

ROOM	TIME	TOPIC	SPEAKER	PARTICIPANT
Conference Hall 2 (2nd Flr, SECC)	13:00 -13:45	Reveal a Hidden Product Quality	Dr. Satorn Chotkovit, D.V.M Dr. Pornchai Srichunhadaj, PHARMACIST Mr.Wasan Huayhongthong, DVM Mr. Teerapol Jindawong	150
	14:00-15:00	How Electromagnetic Frequencies Improve Animal Health and Performance	Ms. Caroline Decaux, MSc, agr. <i>R&D Manager, Ceresco Nutrition</i>	
	15:00-16:00	The Value of Avoiding Feed Induced Immune Response in Poultry and Pigs	Dr. Neil Gripper <i>Behn Meyer</i>	
	16:00-17:00	A Comprehensive Approach to Immune Modulation in Poultry & Swine Nutrition	Dr Kuo Wei- Ssu <i>ICC Brazil</i>	
Meeting Room 3 (3rd Flr, SECC)	09:15-10:15	BIOSECURITY & HEALTH ASSURANCE AT A BOAR STATION	Dr. José Antonio García Ruvalcaba <i>Technical service Director of KUBUS</i>	60
	10:15-11:15	PHOSPHOLIPIDS in Animal Nutrition	<i>INFOCHEM</i>	
	11:15-12:15	The Canadian Purebred Breeding Program in Vietnam	Mr. Gordon Waters, <i>XUAN PHU COOPERATIVE</i>	
		Water Soluble Products, Anigane and Selectolyte for Improve Productivity. Coptrol for Controlling Algea in the Water	Mr.Brett Ruth, <i>XUAN PHU COOPERATIVE</i>	
		The Canadian Nutrition Products Help to Improve Productivity Performance For the Animals	Mr. Danh Phan, <i>XUAN PHU COOPERATIVE</i>	
	13:00-14:00	Diarrhea in Pigs- Challenges for Control Bệnh tiêu chảy ở lợn - Thách thức	Dr.Steven McOrist <i>Amlan</i>	
	14:30-15:15	How to Increase Profit in Swine Production	<i>Big Dutchman</i>	
	15:30-16:15	FCR and Fatteners, the Most Economical Parameter to Improve	PhD. Andre VAN LANKVELD Swine Technical Manager, <i>BIOMIN</i>	
16:15-17:00	Improve the Livestock Performance Through Diseases Diagnosis	PhD. Dinh Xuan Phat <i>Nong Lam University, SANPHAR</i>		
Meeting Room 4 (3rd Flr, SECC)	09:00-15:00	"ILDEX Vietnam Aquaculture Symposium" by FAVA		45
	09:00-09:30	Introduction to Infection Diseases of Tilapia and Strip Catfish	Dr. Channarong Rodkhum	
	09:30-10:00	Franciscellosis	Dr. Channarong Rodkhum	
	10:00-10:30	Coffee Break		
	10:30-11:00	Streptococcosis in Tilapia	Dr. Pattanapon Kayansamruaj	
	11:00-11:30	Columnaris Disease in Tilapia and Strip Catfish	Dr. Dong Thanh Ha	
	11:30-12:00	Concurrent infection & Miscellaneous diseases	Dr. Noppadon Pirarat	
	13:00-13:30	Antibiotic Resistance in Aquaculture	Dr. Channarong Rodkhum	
	13:30-14:00	Vaccine for Tilapia and Strip catfish	Dr. Pattanapon Kayansamruaj	
	14:00-14:30	Coffee Break		
	14:30-15:00	Viral Nervous Necrosis in Tilapia	Dr. Noppadon Pirarat	
	15:00-15:45	Munters Products	Phan Hoang Linh <i>Munters</i>	
Friday, 25th March 2016				
Conference Hall 1 (2nd Flr, SECC)	10:00-10:30	Development of Dairy Beef Production Sustainability Before Asian Integration and TPP	Pr. Mr Hoàng Kim Giao <i>Livestock Association Chairman in Vietnam</i> Mr Lê Văn Thông <i>Director of Livestock Center</i>	300
	10:30-10:50	Dairy Development For High-tech Applications	Mr.Ngo Tien Dung <i>Secretary General of High-tech Application in Agriculture Association</i>	
	10:50-11:30	Why US Jersey Dairy Cows	Mr. Keith Long <i>VA Agri Department - USA</i>	
	11:30-11:45	The Dairy Sector As a Tool For Sustainable Development: The Isreali Experience	Mr. Daniel WERNR <i>Director of projects, Ministry of Agriculture and Rural Development Center for International Agriculture Development Cooperation (CINADCO)</i>	
	13:00-13:20	Antibody-IgOne Improve Disease Resistance, Survival Rate and Growing Capabilities of the Calf Grows	Mr. Nguyen Quang Thong <i>CTCBIO Viet Nam Company</i>	
	13:20-13:40	The Current Stable of Caprine Husbandry and Its Potentials in the Prospect of TPP	Ms Le Thi Thuy <i>Associate Professor</i>	
	13:40-14:10	To Contribute to Enlarge Livestock in Vietnam by Developing Manufacturing in Sperms and Embryos Management, Technical Equipments and Supplying Systems	Mr Luu Hung Son <i>Director of Asia Pacific Dairy Cattle One Member Company Limited</i>	
	14:10-14:30	Method of providing food and suitable nutrition for dairy cattle	Mr.Phan Van Danh <i>Director of Xuan Phu Company</i> ☒	
Yeast Products Use in Dairy Cattle		Mr. Brett Ruth <i>General Director of Rural Chemical Industries(Aust) Pty Ltd</i>		

ROOM	TIME	TOPIC	SPEAKER	PARTICIPANT
Conference Hall 1 (2nd Flr, SECC)	14:30-15:00	Sustainable Development in Dairy Sector in Viet Nam	Mr. Arie Veldhuizen <i>Netherlands - Agricultural Counselor Representative</i>	300
	15:00-15:30	Genetics, The French Experience	Mr. Sandrine DUFEU <i>Area Export Manager EVOLUTION INTERNATIONAL</i>	
	15:30-16:00	Closing Meeting and Thank You by representative of VEAS	Mr. Romain Marselli <i>Business Development Director of VEAS</i>	
Meeting Room 1 (3rd Flr, SECC)	10:30-11:30	The ADIMIX® Advantage: Different Butyrate Delivery in the Gut Triggers Different Effects	Dr. Tim Goossens <i>Nutriad</i>	40
	11:30-12:30	Creamom for Meat Quality	Dr. La Van Kinh <i>VLS Department, Evonik</i>	
Meeting Room 3 (3rd Flr, SECC)	10:00-16:00	Global Milling Conference, by VIV		60
		MILLING AND GENETICS UPDATE "THE ROLE OF FEED INDUSTRY IN MEETING THE NEEDS OF A MODERN WORLD"		
	09:30-10:00	Registration		
	10:00-10:30	The Role of A Robust Feed Industry in A Modern World	Roger Gilbert <i>Publisher, Milling and Grain magazine United Kingdom</i>	
	10:30-11:00	Feeding Pigs to Maximise Output	Chris Jackson <i>Export Manager UKTAG, United Kingdom</i>	
	11:00-11:30	Optimizing Genetic Potential (An Environmental Perspective)	Roger Parfitt <i>Technical Solutions Chief Famsun/Muyang, China</i>	
	12:00-13:30	Lunch Break		
		AQUATIC UPDATE "AQUA FEED PRODUCTION CHALLENGES FOR THE 21ST CENTURY"		
	13:30-14:00	Registration		
	14:00-14:30	Improvement of Shrimp Natural Defenses Through Nutrition	Philippe Tacon <i>Regional Sales & Technical Manager Phileo, South East Asia</i>	
	14:30-15:00	Sustainable Solution for the Optimized Aqua Diet Formulations	Quoc Trieu Nguyen <i>Aqua Coordinator Olmix, France</i>	
	Meeting Room 3 (3rd Flr, SECC)	15:00-15:30	How to Process Quality Feed Using Extrusion Technology
