## ILDEX VIETNAM 2020 POSTPONED TO JULY 21-23, 2021

**October 5, 2020 – VNU Asia Pacific, in conjunction with the majority of exhibitors, have decided to postpone ILDEX Vietnam to July 21-23, 2021.**

Since the announcement of our previous postponement, Vietnam has experienced a local COVID-19 surge. Although the surge remains manageable, global travel restrictions continue along with a mandatory 14-day state quarantine for all visitors entering Vietnam. Immigration policies & regulations remain uncertain for the upcoming months and through the end of the year.

VNU Asia Pacific and all of our stakeholders are dedicated to creating a safe and successful event. By listening to multiple voices throughout the industry and considering the effects of the show under the current circumstances, we feel postponing the show to July 21-23, 2021 is the right decision at this moment.

ILDEX Vietnam team is now working together with our partners on presenting the show virtually to connect exhibitors with the Vietnam & ASEAN livestock industry during this difficult time. We hope to present a stronger, more interactive show to all of our clients when it returns from July 21-23, 2021.

For more information or any details related to the postponement, please contact our project team via [ildex@vnuasiapacific.com](mailto:ildex@vnuasiapacific.com) or call us at +66-2-111-6611.

Please stay safe, and we look forward to welcoming you to Ho Chi Minh City again from July 21-23, 2021.
