WHY VIETNAM SHOULD BE YOUR NEXT GROWTH?

The livestock industry in Vietnam plays a crucial role within the country's agricultural sector, making substantial contributions to economic growth and employment. Livestock accounts for about one-quarter of the agricultural sector's GDP, with consistent annual growth of 4-6 percent.

ILDEX Vietnam, the international livestock, dairy, meat processing, and aquaculture exposition, has become the leading trade exhibition in Asia, boasting strong attendance and plentiful business opportunities.

TESTIMONIAL

"I think this exhibition is great. We are glad to have a Brazilian booth in this exhibition. It is really well organized. I think the Vietnamese livestock market is very broad, growing, and promising. There's a lot of potential here."

Marco Farani
Ambassador of Brazilian Embassy in Vietnam

"The ILDEX tradeshow in Southeast Asia, including Vietnam, the Philippines, and Indonesia, is a great platform for our company to connect with our partners, distributors, and industry players."

Rainhard Kreindl
Regional Sales Director SEA and China of PATENT CO. & agromed
